DECISION ON JOINT STIPULATION¹

Dorsey, Chief Special Master:

On December 18, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleges that D.S. suffered thrombocytopenic purpura following his December 26, 2012 measles-mumps-rubella ("MMR") vaccination. Petition at 1; Stipulation, filed April 18, 2017, at ¶ 4. Petitioner further alleges that D.S. sustained the first symptoms or manifestation of onset of thrombocytopenic purpura within the time period set forth in the Vaccine Injury Table, that he experienced residual effects of this injury for more than six months after vaccination, that there is not a preponderance of evidence that D.S.'s condition is due to a factor unrelated to his December 26, 2012 MMR vaccination, and that there has been no prior award or settlement of a civil action for damages on behalf of D.S. as a result of his condition. ¶¶ 4-5. Accordingly, the parties stipulate that “petitioners are entitled to compensation under the terms of the Vaccine Program.” Stipulation at ¶ 7.

On April 18, 2017, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. The undersigned finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

STIPULATION

The parties hereby stipulate to the following matters:

1. Bernadette Dicianni and Michael Szilagyi, petitioners, on behalf of D.S., a minor, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to D.S.’s receipt of the measles-mumps-rubella (“MMR”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).
2. D.S. received the MMR vaccine on or about December 26, 2012.
3. The vaccine was administered within the United States.
4. D.S. sustained the first symptom or manifestation of onset of thrombocytopenic purpura within the time period set forth in the Table, and experienced the residual effects of this injury for more than six months after vaccination.
5. There is not a preponderance of evidence demonstrating that D.S.’s condition is due to a factor unrelated to his December 26, 2012 MMR vaccination.

6. Petitioners represent that there has been no prior award or settlement of a civil action for damages on behalf of D.S. as a result of his condition.

7. Accordingly, petitioners are entitled to compensation under the terms of the Vaccine Program. Therefore, a decision should be entered awarding compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioners have filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), respondent will issue the following vaccine compensation payments:

a. A lump sum of \$93,109.00 in the form of a check payable to petitioners, as guardians/conservators of the estate of D.S; and

b. A lump sum of \$1,891.00, which amount represents reimbursement for out-of-pocket expenses, in the form of a check payable to petitioners in their individual capacity.

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioners have filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the Chief Special Master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioners and their attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et. Seq.)), or entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 of this Stipulation, and any amount awarded pursuant to paragraph 9, will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of D.S. as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. Petitioners represent that they presently are, or within 90 days of the date of judgment will become, duly authorized to serve as guardians/conservators of D.S.'s estate under the laws of the State of Illinois. No payments pursuant to this Stipulation shall be made until petitioners provide respondent with documentation establishing their appointment as guardians/conservators of D.S.'s estate. If petitioners are not authorized by a court of competent jurisdiction to serve as guardians/conservators of the estate of D.S. at the time a payment pursuant to this Stipulation is to be made, any such payment shall be paid to the party or parties appointed by a court of competent jurisdiction to serve as guardians/conservators of the estate of D.S. upon submission of written documentation of such appointment to respondent.

14. In return for the payments described in paragraph 8, and any amount awarded pursuant to paragraph 9, petitioners, in his individual capacities and as legal representatives of D.S., on behalf of themselves, D.S., and his heirs, executors, administrators, successors or assigns, do forever irrevocably and unconditionally release, acquit and discharge the United States and respondent from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or

nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of D.S. resulting from, or alleged to have resulted from, the vaccination administered on or about December 26, 2012, as alleged by petitioners in a petition for vaccine compensation filed on or about December 18, 2015, in the United States Court of Federal Claims as petition No. 15-1548V.

15. If D.S. should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

16. If the Chief Special Master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

17. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

18. All rights and obligations of petitioners hereunder shall apply equally to petitioners' heirs, executors, administrators, successors, and/or assigns as legal representatives of D.S.
